## •Cacoo

The screenshot displays the Cacoo web application interface. The top navigation bar includes the Cacoo logo, a 'Get Started' button, and a 'Diagrams' tab. A left sidebar contains navigation options: 'All', 'Owned by me', 'Shared with me', 'Stencil', 'Template', 'Recycle Bin', 'Shared Folder', and 'Folder'. The main content area, titled 'Owned by me', shows a 'Create New Diagram' button and a 'Remaining sheets 5' indicator. Below this, a message states: 'Upgrade your plan to create an unlimited number of sheets!'. The dashboard displays several diagram thumbnails:

## •Trello

The screenshot shows a Trello board interface for a project named 'PetPamonha'. The board is organized into three columns representing different stages of a workflow:

- Feito (Done):** Contains three cards: 'Diagrama de Classes', 'Diagrama de Caso de Uso', and 'Telas' (which has a green progress bar and '3/3' indicating completion). Below these is a card for 'SQL' with a comment icon and '1'.
- Em Andamento (In Progress):** Contains one card: 'Programação das Telas'.
- Parado (Stalled):** Contains one card: 'Integração Com C#/SQL'.

Each column has an 'Add a card...' button at the bottom. The top of the board features a navigation bar with 'Boards', a search icon, a 'New stuff!' button, and the Trello logo. On the right side, there is a sidebar with a 'Menu' button, a 'Members' section showing two team members, and an 'Activity' section showing recent updates.
